General Steel Earnings Down Slightly in '64

General Steel Industries, Inc., has consolidated net income after provision for taxes of \$4,925,575, or \$2.30 per share on sales of \$88,553,183 during 1964. W. Ashby Gray Jr., president, has announced that the company's earnings for 1964 were down slightly from 1963. The 1964 earnings show a drop from \$5,192,366 amount on sales of \$107,452,957, or \$2.44 per share in 1963. (GSI acquired Floc-O-Lite Manufacturing Corp., a wholly-owned subsidiary in October 1964 and the above figures include the result of operations of the two companies for both 1964 and 1963.) Gray stated that the lower sales and earnings last year were due primarily to a period of over-enthusiasm in orders for rapid transit cars at GSI's St. Louis Car Division. St. Louis Car completed final delivery on an order of 450 rapid transit cars for the New York City Transit Authority in mid-1964 and will begin delivery of a new order of 162 cars for the Port of New York Trans-Hudson Corporation until early in 1965. "GSI's sales and earnings were approximately what we had estimated for 1964 and we believe it was an excellent year for the company. While it is too early to make predictions for 1965, present indications point to another good year," he said. Directors of GSI declared a regular quarterly dividend of 30 cents per share on the common stock payable March 31 to shareholders of record as of March 15.

Madison County Aid Payment \$329,977

The Illinois Department of Public Aid distributed a total of \$329,977 to 6708 persons in Madison County for administration of all public aid programs during November, according to a report released by the department today. Largest sum was paid out for aid to dependent children, with 4271 persons receiving \$172,303. Old age assistance payments to 304 Madison county residents amounted to \$85,029, while disability assistance totaled \$34,183 for 412 persons. Blind assistance payments amounted to \$41,339 for 19 recipients and general relief assistance totaled \$25,181 for 1000 persons. "Total payment by the state for all programs during November was \$23,411,873 to 410,890 persons throughout the state."

12 Accidents Occur as More Snow Falls Friday

Twelve accidents occurred on Granite City streets today as a heavy snowstorm Friday afternoon and night. No one was injured. Snow also fell Thursday. One driver was sentenced to two concurrent 90-day terms on the state prison farm in Vandalia. He is Arthur Wilson, 38, of 2340 Myrtle avenue, who was charged with driving while intoxicated and resisting arrest after he struck the rear of a parked car owned by John Meszoros, 4810 Kirkpatrick Homes, at 10:15 p.m. Friday at 531 Nidringhaus avenue. His car was towed to a garage. While making a right turn off Madison avenue at 14th street, a car driven by Richard Pittermeier, 4810 Kirkpatrick Homes, at 10:15 p.m. Friday at 531 Nidringhaus avenue. His car was towed to a garage. While making a right turn off Madison avenue at 14th street, a car driven by Richard Pittermeier, 4810 Kirkpatrick Homes, at 10:15 p.m. Friday at 531 Nidringhaus avenue. His car was towed to a garage.

Collision During Turn
While trying to make a left turn from St. Clair avenue onto Nameoki road, a car driven by Lucille Allen, 2040 Myrtle avenue, at 4:25 p.m. Charles R. Buekas, 2108 East 24th street, tried to stop his car at 23rd and Iowa streets at 5:25 p.m. Friday but slid into the left side of an auto driven by Henry J. Constant, 2273 Marshall avenue.

Locomotive-Auto Crash
A Granite City Steel Co. locomotive struck the right side of a car driven by Harold Bellinger, 2220 Adams street, at 2:30 p.m. Friday at 16th street and Madison avenue. Bellinger said he was passing a truck which had stopped, and he failed to notice the flashing signals until it was too late to stop. The first accident in the snow occurred at 3:30 p.m. Friday when cars driven by Dwan Hossey, 2402 Logan street, and Clyde Earl Johnson, St. Louis, collided at 20th and Iowa streets. Hossey said he was going to pass a truck and did not see the other car in the inside lane. Joyce Crane, Rosana, was slowing for a stoplight at 27th

Long-Distance Phone Rate Cuts Effective Today
Reduced charges for certain classes of long-distance calls, which will save southwestern Bell Telephone customers in Illinois about \$102,000 a year, will go into effect today. The reductions will affect most interstate station-to-station calls made after 6 p.m. and on Saturdays and Sundays, according to Michael Rafferty, southwestern Bell Telephone Co. manager here. Daytime rates during the week and rates for persons-to-person calls are not affected. Specific reductions are: Night rates—For \$1 or less, three-minute station-to-station calls can be made to any interstate point in the continental United States, except Alaska, from 8 p.m. until 4:30 a.m. every night during the week. These same low rates will apply all day Sunday. Formerly, the \$1-or-less rate applied only from 9 p.m. to 4:30 a.m. Evening rates—Evening rates presently in effect will be reduced on those calls which include long distances of 431 miles or more. These rates will apply from 6 to 8 p.m. every evening during the week and, in addition, will be extended to include all day Saturday as well.

Economic Development Committee to be Formed
Plans designed to increase the economic growth of metropolitan St. Louis through the creation of a top-level Economic Development Committee of Metropolitan St. Louis were approved in principle Thursday night by representatives of the St. Louis Research Council, the St. Louis Industrial Development Corporation and the Chamber of Commerce of Metropolitan St. Louis. The eight participants in the meeting included Nicholas P. Keeley, chairman of the Research Council, the St. Louis Industrial Development Corporation and the Chamber of Commerce of Metropolitan St. Louis. The action was announced by Alfred H. Kerth, chairman of the board of the Chamber and vice-president of the St. Louis Research Council. Those attending were unanimous in their agreement that most activities involved in attracting new industry to our metropolitan area require specialized and coordinated treatment, that funds to support such a program must be obtained in such a way as not to place still another fund-raising drive before the business community, and that existing programs in the field of industrial development must be brought together and coordinated, not duplicated. Kerth said, "This meeting was held as the general plan of the Chamber's Development Committee was approved and the Chamber's executive committee authorized to proceed in developing the plan in cooperation with the Research Council and the Industrial Development Corporation." Steps to be taken will include enlargement of the council and corporation boards, interlocking of the executive committees of the three groups at the meeting and creation of the new committee, composed of representatives of the interlocking groups.

New Auto Parts Catalog
A 68-page catalog listing replacement parts for almost every European car except the Rolls Royce has been published by Sears, Roebuck and Co. and is available at the St. Louis store, 25 Nameoki Village. The import car replacement parts catalog, first published by Sears, lists more than 10,000 parts from spark plugs to engine overhaul kits.

REV. KIYOSHI TANIMOTO, organizer of the Hiroshima Peace Foundation Center in Japan, who will speak here Feb. 7.

Hiroshima Peace Center Organizer To Speak Locally

Rev. Kiyoshi Tanimoto, famed Japanese peace activist, survivor and founder of the Hiroshima Peace Center Foundation, will speak at St. John United Church of Christ, 2901 Nameoki road, Sunday, Feb. 7, at 9 a.m. and 10:30 a.m. His topic will be "The Future of Christianity in Japan." The public is being invited to attend. Rev. Tanimoto won international recognition a few years ago when, following the explosion of the atomic bomb on Hiroshima, he organized the Hiroshima Peace Foundation Center, dedicated to saving and rehabilitating as many of the survivors as possible. Subsequently, this group under his leadership brought dozens of Japanese girls, known as "Hiroshima Maidens," to Mt. Sinai Hospital in New York City for skin grafting and other medical treatments. In 1951, he was featured guest on the Ralph Edwards' television show, "This is Your Life."

As pastor of the Nagerakawa United Christian Church of Japan, he preaches to one of the largest Christian audiences in Japan. During the week, his church is crowded with numerous social welfare activities. More than 700 youth are enrolled in his daily English classes. On Sunday evening, the congregation and friends will assemble in the fellowship hall for a family-style pot-luck supper beginning at 6 o'clock. At 7 o'clock, he will show color slides depicting the devastation and destruction in Hiroshima following the nuclear explosion, and of the work of rebuilding the area.

Comparable Rates Sought in Contract
Wages and working conditions sought by laborers employed by the Granite City division of the East St. Louis and Interurban Water Co. are the same as those of members of the same union in comparable jobs in this area. Result of the revisions, particularly the elimination of the allowance for autos, has reduced the amount shown on the sales tax tables. The new tables, however, are a more accurate measure of the average sales tax paid in the various states.

Boys Throw Snowballs, Hang Onto Moving Cars
Mischievous boys, according to calls to the Granite City police station, at 4:05 p.m. youngsters were throwing snowballs at automobiles at 28th and Iowa streets. At 4:30 p.m., others were hanging onto cars in the 2800 block of East 25th street, that complaint was repeated at 5:15 p.m. this time at Edwards street and Ridgeway avenue.

Revised Sales Tax Guide Issued for Tax Deductions

A state sales tax table may be used as a guide by Illinois taxpayers in filing their 1964 federal income tax returns, according to Jay G. Philpott, district director of Internal Revenue. The table shows the average amount of state sales tax paid by Illinois residents and may be used by tax payers who itemize their federal income tax deductions. Philpott said there has been a general revision of the amounts for the first time since 1960 when the tables were issued. The latest tables are based on summary data showing the patterns of consumer expenditures developed by the Bureau of Labor Statistics from a 1960-61 study. Previous tables were based on a 1950 study. Previously, tables were revised only to reflect changes in sales tax rates or the commodities covered by the particular state. The new study shows that household operations, property taxes, medical care, personal care services, education and insurance have, for the most part, comprised a larger part of the total consumer expenditures in 1960-61 than they did in 1950. These items are not usually subjected to state sales taxes. The new tables omit the state sales tax on automobiles purchased, thus providing a uniform treatment of this item for all states. Now taxpayers who purchase an automobile may add the sales tax paid on the purchase to the amount on the table. Result of the revisions, particularly the elimination of the allowance for autos, has reduced the amount shown on the sales tax tables. The new tables, however, are a more accurate measure of the average sales tax paid in the various states.

ILLINOIS AVERAGE STATE SALES TAX TABLE
This table is based on the Illinois general sales tax of 4 1/2 percent plus the city and county taxes. It is for use in computing the federal income tax deduction for state sales taxes. Taxpayers not paying any city or county sales tax should use the table for the state only. The table may be used by itemizing the state sales tax deduction on the federal income tax return. The table shows the average amount of state sales tax paid by Illinois residents and may be used by tax payers who itemize their federal income tax deductions. The table is based on summary data showing the patterns of consumer expenditures developed by the Bureau of Labor Statistics from a 1960-61 study. Previous tables were based on a 1950 study. Result of the revisions, particularly the elimination of the allowance for autos, has reduced the amount shown on the sales tax tables. The new tables, however, are a more accurate measure of the average sales tax paid in the various states.

Revised Sales Tax Guide Issued for Tax Deductions
The table shows the average amount of state sales tax paid by Illinois residents and may be used by tax payers who itemize their federal income tax deductions. The table is based on summary data showing the patterns of consumer expenditures developed by the Bureau of Labor Statistics from a 1960-61 study. Previous tables were based on a 1950 study. Previously, tables were revised only to reflect changes in sales tax rates or the commodities covered by the particular state. The new study shows that household operations, property taxes, medical care, personal care services, education and insurance have, for the most part, comprised a larger part of the total consumer expenditures in 1960-61 than they did in 1950. These items are not usually subjected to state sales taxes. The new tables omit the state sales tax on automobiles purchased, thus providing a uniform treatment of this item for all states. Now taxpayers who purchase an automobile may add the sales tax paid on the purchase to the amount on the table. Result of the revisions, particularly the elimination of the allowance for autos, has reduced the amount shown on the sales tax tables. The new tables, however, are a more accurate measure of the average sales tax paid in the various states.

Alton Girl Crowned Miss Jr. Achievement

Miss Michele Rice of Alton was crowned "Miss Junior Achievement of 1965" by Allen H. Burgess, president of Junior Achievement of the Mississippi Valley area Friday night at the 15th annual Junior Achievement coronation ball held in the Korean room of the Chase hotel, St. Louis.

One of seven maids of honor who attended Miss Rice was Miss Vicki Duncan, daughter of Mr. and Mrs. Jerry Duncan, 324 Franklin avenue. She is a member of the Pato Junior Achievement company, owned by General Steel Industries and is a sophomore at Granite City high school.

More than 1200 teenage members of Junior Achievement companies in the Mississippi Valley area witnessed the coronation ceremonies.

Area Students Get Class Experience

Nancy Lee Bischoff, 1905 Amos avenue, and Cecilia J. Markuly, Madison, are among 292 student teachers from Southern Illinois University who are receiving in-the-classroom experience during the winter term in schools of 45 Southern Illinois communities, where they are teaching in 21 secondary and elementary schools.

Miss Bischoff is teaching in the Herrin, Ill., high school and Miss Markuly in the University school at Carbondale.

Charles D. Neal, director of student teaching in the SIU College of Education, said teacher training is required for the bachelor's degree in education at Southern. The student work for one school term in a classroom under the supervision of an accredited teacher and the SIU department of student teaching.

Stray Dog Problem Is Money Problem At Pontoon Beach

Concern was expressed over the number of stray dogs in the Pontoon Beach area at a brief meeting of the Pontoon Beach village board held Thursday night in the Long Lake fire department.

Numerous complaints from villagers who reported several large dog packs roaming the area were cited by Trustee Chester Dean, who said he had received telephone calls at home from people concerned for the safety of children playing outdoors. Many of the stray animals were reported abandoned by residents of nearby communities.

Until an ordinance is enacted by the board, no action can be taken on picking-up and holding the stray animals. It was explained by Thomas Staloff, village board president, that at the present time there is no provision in the village budget to finance such a project.

It also was pointed out that even if arrangements could be made with the Granite City animal shelter to accept strays, no financial aid is available to defray boarding costs.

An animal control bill was introduced by Trustee Dean at the board's September meeting and was tabled after disagreement arose on placing responsibility for catching the dogs. Sections of the original bill gave the job to the village's four-man police department.

Other parts of the original ordinance were designed to prevent cruelty to animals through beating, overfeeding, abandonment or other means, and prohibited the running at large of any dangerous and vicious animal or leaving of any animal that disturbs the peace.

The bill further provided that dogs must wear collars and identification tags and records of each dog's capture should be maintained by the police force.

Still Working on Ordinances
The board members agreed Thursday night to continue preparation of a suitable animal control ordinance. The formation of rules and regulations to govern the police department also were reported under review by the police committee and should be completed by the next board meeting.

In other action, the trustees authorized payment of a bill for \$446 from The Country Insurance Co. for hospitalization and disability insurance covering three members of the police force.

Other bills approved included the purchase of three police badges at a cost of \$30, and \$25 fee paid to Mrs. Victoria Morris and Mrs. Sally Lester, both of Granite City, who conducted a recent opinion survey among village residents on a proposal to include the village area in the Namecki township's sewer construction project.

As reported at a special meeting last week when the board passed an ordinance favoring inclusion in the sewer project, 240 villagers were contacted in the survey with 119 for the sewer construction, 83 against, and 38 uncommitted.

A communication from the Illinois highway department notified the board that \$325 had been allocated the village in motor fuel funds for January, and a similar letter from the Illinois department of finance said \$27.00 in sales tax allowances has been granted the village.

WHICH WAY DID YOU SAY??? Two signs, one partially blocked by the other, give directions to motorists going west on 19th street, at Grand avenue. The new detour sign for Route 3 (Madison avenue) was set up over the weekend and is supposed to blank the Grand avenue one-way, northbound, sign in order to permit southbound Madison avenue traffic to get around a sewer excavation. Granite City Steel Co. is relocating a city sewer trunk line from inside its plant along the middle of Madison avenue and at the same time is removing old abandoned trolley tracks for the city. The detour is to be for a block at a time and will be for southbound traffic only on Madison avenue. The sewer is to be placed along Madison avenue from 19th street south to 16th street.

Mrs. Mary Mehelic Dies in Hospital

Mrs. Mary Sophia Mehelic, 81, of 1721 Edwardsville road, Madison, died in St. Elizabeth Hospital at 11:30 p.m. Thursday. She had been a patient in the hospital two days.

Mrs. Mehelic was born in Poland and had been a resident of Madison 54 years. She was a member of St. Mary's Catholic church, the Third Order of St. Francis and the St. Stanislaus Lodge 1068 of Madison.

Her husband Joseph Mehelic preceded her in death in July, 1923. She leaves two sons, Louis and John of Madison; two daughters, Mrs. Antvnet Tutka, Mrs. Joseph A. Thompson, 2914 Sunset drive; and Gladys R. Wilson, 944 Niedringhaus avenue.

PTA Group Seeks Higher School Aid

A door-to-door campaign during February to obtain signatures on petitions to Gov. Otto Kerner and the Illinois legislature for increased state aid to local school districts will be undertaken by PTA members as the result of discussions in the January quarterly meeting of the Illinois Council of Parents and Teachers held in Peoria.

Increased aid will be sought to assure a realistic minimum level of expenditure to take some of the burden of higher school costs away from the local tax payer. There are 2450 local PTA units in the state with an approximate membership of 700,000. Mrs. Frank Hanfelder, Rural Route One, Granite City, is one of the 36 district directors of the ICPT.

Mrs. Barry Norton, Chicago, legislation chairman, said "there is not enough general understanding of the relationship of state government and local school districts. In order to have a plan for financing education which is equitable and realistic, it is essential that the average citizen be aware of the current situation."

The goal for the petition drive will be sponsored by a joint committee of the ICPT, Illinois Education Association and the Illinois Association of School Boards, a 1,000,000 signatures. The plan is to present the petitions to the governor this month.

Four Building Permits List Values of \$5000

Four building permits were issued during the fourth week of January by Earl Bloomquist, building inspector, and City Clerk A. L. Stevens, and the total value was \$5000.

They were obtained by Fred Hartline, 2012 Russell street, for a garage, \$1000; Eugene Miller, 2434 East 24th street, to install steel siding, \$1500; George Vogel, 1805 Ferguson avenue, to raze and rebuild garage, \$1000; and Mrs. Betty Fourt, 2031 Madison avenue, to enclose part of front porch for office space, \$1500.

Permits for the month now total 18, listing values of \$404,658, including Granite City Steel Co.'s \$357,000 project issued a week earlier. In addition, four permits to raze structures were issued with work to cost \$48,100.

Posts Bond for Assault

John J. J. Brown, 23 of 210a Broadway, Venice, was arrested on an assault charge by Venice police Thursday afternoon on complaint of his wife, Mrs. Sandra Brown. Brown posted bond pending hearing Feb. 8.

President of the ICPT, said that shared time will be among school legislative matters which will be discussed at the annual convention to be held in Peoria May 6, 7 and 8. The convention is expected to attract from 300 to 400 delegates and visitors.

Debris from Homes Burns Too Close to Tar Plant

Burning debris from demolished houses from the back of Granite City Steel Co. caused a person to file a fire alarm at 5:29 p.m. Thursday sending fire engines to the rear of the Reilly Tar & Chemical Corp. It was believed the dump was located too close to a building, and the workers were told to burn the scrap farther away.

Firemen also answered an alarm at 4:45 p.m. Thursday at the home of Robert Miller, 2208 Delmar avenue, where a short circuit in a furnace blower motor caused \$50 loss.

County Topped Savings Bond Quota by 11.3% Last Year

Madison county topped its U. S. Savings Bond purchase quota by 11.3% during 1964. It was reported Friday by H. D. Karandjeff, local banker and county chairman. The bond sales in the county last year totaled \$4,390,723, Karandjeff said.

While the county exceeded its quota, the state fell behind for the year. With a quota of \$335,500,000, the state purchased only \$330,729,628. This year's quota for the state is \$338,100,000.

Karandjeff reported the state topped its payroll deduction savings quota in 1964 by 3.2%. The quota for new sign-ups in Illinois had been set at 81,200 persons while those participating last year numbered 83,445.

Reporting for December, Karandjeff said U. S. Savings Bond sales in the county totaled \$373,401 and the state figure was \$28,344,642.

GO TO CHURCH SUNDAY—

Deadline May Be Eased on Income Tax Deficiencies

Senator Everett M. Dirksen (R., Illinois) has announced plans to seek to help taxpayers encountering a hardship over the 1964 revision of the income tax withholding rate. Such action must originate in the House, but he plans to offer an amendment to the first suitable legislation coming from the House.

Taxpayers with a deficiency of over \$50 would be authorized to have their employers withhold a month of what is owed each month for a 12-month period. Amounts so paid would be treated as if paid on the date on which the return was filed, and delinquent penalties would be waived.

"Several million taxpayers will find that they owe taxes in addition to what has been withheld—an obligation, I might add, that was not the result of any mistake on their part but rather the result of too low a withholding rate," Dirksen told the Senate. Extent of underwithholding is estimated at \$1 billion to \$2 billion more than usual, indicating many refunds will be lower or tax bills higher April 15.

Disparity between what was withheld and what was owed is due to the timing of the withholding rate. The tax cut was in two stages—one cut on 1964 income and a still lower rate for 1965 income. Since about two months of 1964 had gone by before the bill was passed, the rate was set at 14½—the rate originally planned for 1965—instead of 15½. This was to achieve the maximum economic impact last year.

The second stage of tax reduction, which took effect this month, will bring withholding and liability closer together, but not entirely, and Dirksen's plan would permit delayed payments of deficiencies for both the 1964 and 1965 tax years. The Internal Revenue Service is now suggesting that taxpayers claim one less dependent on withholding while still listing the dependent on the tax return.

Flue, Gas Leak, Dryer Result in Fire Calls

West Granite City firemen were called at 3 p.m. Saturday to the home of James Green, 2211 Ohio avenue, where a stopped-up flue had caused smoke but no fire damage.

At 11:10 p.m. Saturday, they searched for a gas leak at the McCoy home, 2031 Bryan avenue, until Illinois Power Co. crewmen took over the same task, steam emerging from a dryer vent appeared like smoke to a passerby who dispatched the firemen to a laundromat at West 20th street and Illinois avenue at 6:10 p.m. Friday.

\$50,000 Suit Filed For Accident Injuries

A \$50,000 damage suit has been filed for Alina Canada, Granite City, against Alexander W. Shapleigh III, St. Louis, and Mrs. Veda M. Eller, Madison, in the circuit court at Edwardsville.

The complaint claims she was injured in a three-car accident June 5, 1963, on Broadway in Venice, and was unsure whether Mrs. Eller or Shapleigh, or both, were responsible. The complaint relates that Shapleigh's car struck the rear of the Eller auto, shoving it into the rear of the Canada vehicle. She claimed negligence and seeks a jury trial.

Windshield Broken
Tom York, 1228 Mullison avenue, Madison, reported to police that someone broke the windshield of his 1965 auto while it was parked at the rear of his place of business Thursday night.

Parked Auto Damaged
A northbound hit-and-run car damaged the left side of the parked auto of James Burkhart, 2641 Iowa street, while it was parked at his home Friday night.

FEW SKATERS VENTURED FORTH Saturday because of the low temperature and the snow covering portion of a makeshift ice skating pond at Wilson Park. Exceptions were (left to right) Joe Buscemi, Paul Blattner and Robert Blattner, shown warming themselves about a fire after taking a few turns around the ice.

Donna Wood, 8 Months Old, Dies at Hospital

Donna Wood, eight and a half months old, daughter of Mr. and Mrs. Bobby J. Wood, 1343 Rhodes street, died of acute gastroenteritis at 1:30 a.m. Sunday at St. Elizabeth Hospital. Ill two days, she had been at the hospital four hours.

The infant was born at Fort Leonard Wood, Mo., and had been a Granite City resident four and a half months. Survivors besides her parents are three brothers, Bobby Ray, James Andrew and Henry Dale Wood, and grandparents, Mrs. Alex (Martha) O'ford, Immokalee, Fla., and Mr. and Mrs. Henry Taylor, East St. Louis.

Burial took place this afternoon in South, Mo. An obituary notice is given elsewhere in this issue.

Feed Grain Program Sign-Up Starts Feb. 8

Farmers will have an opportunity to sign up in the 1965 feed grain program early in February, according to Walter P. Bardeleben, chairman of the Madison county Agricultural Stabilization and Conservation Committee. The sign-up period will be for 7 weeks, from Feb. 8 through March 26.

During the sign-up period, winter wheat producers who signed up in the wheat program last fall may change their intentions, except that in winter wheat areas growers may not overproduce wheat and store it under bond unless they stated their intentions to do this at the time of the sign-up last fall.

As in previous years, the chairman explained, the feed grain program will be voluntary and each operator of a farm growing one of the three feed grains covered by the program will make his own decision about whether to take part. The program is available for corn, grain sorghum, and barley.

Farmers who participate in the program will be eligible for diversion and price support payments, and for price support loans on their entire 1965 production of the three grains. The price support payments will be made to participants whether the feed grain produced in 1965 is fed on the farm, sold or placed under a price support loan.

To take part in the feed grain program, the farmer will agree to take out of production and devote to an approved conservation use at least 20% of the total feed grain base. Maximum diversion is 50% of the base or 25 acres if this is larger. The reduction may be on any of the three acreages, and the diversion payment will be based on the crop diverted.

Diversion payments, if less than 40% of the base is actually diverted, will be made at one-

State to Open I-270 From Canal to New 66 March 1

Opening of Interstate Route 270 from Route 66 to the Chain of Rocks Canal is scheduled around March 1 due to progress on the interstate highway bridge across Route 66 near Troy, but completion of the Chain of Rocks canal bridge and the river bridge is not expected until next Dec. 1, a spokesman of the Illinois state highway department said today.

Completion of the bridge near Troy will permit eastbound traffic on I-270 to turn into 66, and

southbound traffic on 66 may turn west onto 270. The bridge is the initial portion of a huge interchange of I-270, I-55 (present 66) and I-70.

A parallel westbound bridge will not be completed until later to connect 270 with I-70. The eastbound bridge is under construction by McCann & Co., Inc. of Springfield which currently is fabricating the bridge deck. Concrete should be poured on the deck within the next two weeks. Interstate 270 is currently open to traffic from State Route 111

to Route 157 but the portion of the interstate route between 157 and State Route 159 which has been completed for several months, still has not been opened to traffic. Highway officials said the stretch has been kept closed to avoid jamming I-59 in Ed-ville with Interstate 66 traffic. They said they feared that opening the stretch would cause U. S. Bypass 66 traffic to use I-59 between Edwardsville and the interstate route, thus jamming the already congested Troy road and South Broadway street. Similar congestion

would probably be created on the interstate route between 270 and U. S. Bypass 40, officials said. The section between Routes 157 and 159 is expected to be opened through to the new Route 66. While work on the Chain of Rocks canal bridge is in advance of that on the river bridge, both sections will need to be completed before Interstate Route 270 can be directed over the river, the spokesman said.

Sen. Dirksen to Speak At Lincoln Day Dinner

Sen. Everett McKinley Dirksen, Senate minority leader, will be the principal speaker at the annual Lincoln Day dinner to be conducted by the Madison County Republican Central Committee at 7 p.m. Feb. 10 at the Mineral Springs Hotel, Alton.

A reception and cocktail hour will begin at 6 p.m. when guests may confer with the senator. Dr. William Buzenz of Alton is chairman.

Tickets may be obtained from William Hoelscher, G. H. Sternberg, Walter Emde, David John Samuel Meyer, Samuel Shackelford and members of the Women's Republican Club. They are \$10 per person or \$15 per couple.

Five of the county support rate on the normal production for the first 20% diversion, and at one-half the support rate for the remaining percentage. If 40% or more of the base is diverted for the three acreages, and the diversion payment will be based on the crop diverted.

Big Debate on Salaries Pending for GC Council

Pay boosts for three city officers, an engineering bill totaling \$425 and reestablishment of the city's sanitation department are likely to be the major items at tonight's 8 o'clock Granite City council session.

Debate was at a minimum last week when the pay increases for the mayor, city clerk and assessor to be elected next April were submitted to the council. However, it was decided to hold up on most debate until an ordinance is presented with the figures.

It is possible that none of the incumbents will seek re-election. Mayor Davis has stated publicly that he doesn't want another term; City Clerk A. L. Stevens is retiring and Tax Assessor Von Dee Cruise has plans to run for mayor. Three aldermen also have filed for mayor — Mrs. Beltnice, G. H. Sternberg and Samuel Whitmer, along with a former alderman, Rufus LeMaster.

Pay Hike Proposals The proposal is to increase the present \$3000 mayor salary to \$10,500, but cut the expense allowance from \$2400 to \$1500. A \$600 increase is proposed for the clerk. The salary now is \$4800-a-year plus an estimated \$3800-a-year in fees. For the assessor, a \$450 increase has been proposed, to boost the salary from \$7200 to \$7650. The assessor also receives a \$600-a-year expense allowance.

No recommendations were made for the offices of city treasurer and supervisor. The treasurer's pay is \$8800 a year, while the supervisor is \$3900 a year with a \$500 annual expense allowance. Both incumbents, J. R. Rich, treasurer, and Nelson H. Rasmussen, supervisor, are seeking return to their offices.

The vote last week to instruct the city attorney to prepare the ordinance for the mayor's salary increase was 9-6-7. Those voting for it were Nann, Parthey, Rutledge, Skubisch, Buschick, Bergfield, Boyd, Dallas and Pence. Opposed were Whitmer, Mrs. Beltnice, Bartosik, Johnson, Moerlein, Sternberg and Thompson.

The Finance Committee is to meet with David J. Johnston for clarification of his resubmitted bill of \$7425 for engineering services to the city. An earlier bill, which the council had refused to pass without the amount being itemized was \$4938.

The city is completing a \$147,500 three-year contract for garbage and trash collections and now plans a study to determine if it would be less costly to return to a city-operated department. The collection firm's contract expires next May and the council already has voted to give the 60-day notice of termination.

Mayor Davis last Thursday handed a Sanitation Committee to work with the Finance Committee to determine costs of a city department. Seeking new bids from private contractors also is to be considered. The proposal promises to become a big political issue.

Still hanging fire is the city's study of a liability insurance policy and payment of the \$1787 printing bill for Alderman Beltnice's profile booklet.

A new topic brought up last week was the possibility of con-

5/Sgt. Jesse Keeton Assigned in Germany

Army 5/Sgt. Jesse L. Keeton, son of Mr. and Mrs. Riley S. Keeton, 2611 West 22nd street, has been assigned to the 2nd Armored Cavalry Regiment in Germany.

Sgt. Keeton, a scout section leader in Troop C of the regiment's 1st Reconnaissance Squadron, entered the Army in 1955. The sergeant attended Granite City high school.

Mental Health Services Told at Optimist Meet

Jerome C. Schraupe, psychiatric social worker with the Madison County Mental Health Association, explained the services of the association at a luncheon meeting of the Granite City Optimist Club Thursday at the YMCA.

The association has clinics in Granite City and Alton. Two-thirds of the cost of the operation is provided by the state and one-third by local communities, he said.

This Thursday the club will conduct its annual charitable contest. Ten students will speak. The program chairman last week was Henry Karandjoff, and 28 persons were present.

Bernard to Handle Rail Tax Appeals, 10 New Objections

Burton C. Bernard of Granite City has been appointed as special assistant state's attorney for a one-year period starting today by State's Atty. Joseph R. Bartylak. Bernard will handle railroad tax valuation objections in Madison county.

Bartylak said the appointment was made possible in part with the cooperation and financial assistance of most of the school districts in the county which are hit by the railroad objections.

Additional funds will be needed to finance this appeal, and Bartylak said he will ask other taxing bodies as well as the county government to authorize the expenditure of such amounts as may be necessary to coincide the appeal as well as current railroad litigation on 103 objections.

Pending Litigation
Bernard will have the responsibility of prosecuting to a conclusion the litigation which is now pending in the Illinois Supreme Court on appeal by the railroads of the decision of Circuit Judge James O. Monroe Jr. Bernard was the principal train counsel in the Madison county circuit court trial. The cases, involving 13 railroads covering the period from 1957 through 1962, were tried in the circuit court through the efforts of former State's Atty. Dick Mulge.

Bartylak also announced that he has filed a motion to consolidate the railroad tax valuation objections which are now pending in the circuit court for the 1963 tax year so that the question of the interpretation of the new state statute regarding the assessment of railroad taxes may be resolved as soon as possible.

Seek Speedy Action
Ten railroads have filed valuation objections for 1963 in Madison county, Bernard was instructed to take all possible steps to bring this latest group of railroad objections to trial as soon as possible.

Bartylak said his purpose in litigating the two major cases is to resolve the legal issues regarding railroad valuation objections so that in the future railroad tax objections can be limited for the most part, to rate and similar technical objections which can be disposed of promptly without any unnecessary delay in the distribution of railroad taxes to various school districts, incorporated cities and villages and other taxing bodies.

40 Traffic

(Continued from Page 1.)

Joe was badly damaged. He was treated at St. Elizabeth Hospital for a left thumb fracture and abrasions to the left hand and left leg.

Harlan Leonard Stone, 51, Carrollton, Ill., suffered a cut over his right eye at 12:05 a.m. today when his car crashed into a steel pier under Higgins Highway on the east side of Fourth street. Police said Stone was headed south and that his car was damaged extensively.

Two hurt on Maryville Road
A skid on Joe was blamed for a collision of southbound autos on Maryville road at Pontoon road at 4:05 p.m. Saturday. There was damage to the rear of the auto of Lynn A. Lewis of Jones Park and the front of the car of William E. Jarvis, 31, Rural Route, One, Lewis had hailed for a stop sign.

Lewis was treated at St. Elizabeth Hospital for neck pains. A passenger in his auto, Gilbert Oliver, 29, of 2332 Miracle avenue also was treated there for neck soreness and pains.

An as yet unknown motorist in an auto owned by Robert Daniel, Route Two, Belleville, was injured at 3:15 a.m. Saturday on the McKinley Bridge when the westbound car hit a lane divider on the eastern end of the main superstructure. Finding the auto empty but blood-soaked, police had it towed to a garage. They said a passing motorist apparently took the injured person to a hospital.

Merrill Jackson, 46, Route Four, East Alton, hurt in an auto accident, was treated at St. Elizabeth Hospital Saturday for left shoulder, clavicle and back injuries.

Man Shot in Temple, Undergoing Surgery
James Earl Lucas, 27, of 204 Hill street, Eagle Park Acres, apparently shot himself in the right temple because of domestic troubles at 8:30 a.m. Friday at his home, Madison county sheriff's deputies reported.

He was taken by ambulance to St. Elizabeth Hospital and was transferred to Pinion Deagle Hospital, St. Louis, where he is scheduled for surgery today.

Three empty shells from a .32-caliber automatic were found, and there were powder burns along the baseboard of the bedroom, deputies said. The gun was found, empty, in the center of the living room floor.

The sheriff's investigation showed that he arrived home at 7:30 a.m. and told his wife he was going to get his troubles. He then went into the bedroom and fired a shot. His wife ran to the home of his parents for aid.

The report said Lucas dramatically called the ambulance before he shot himself, since it arrived immediately. He has three children and is employed in St. Louis.

Enters Clayton Hospital
Mrs. Joseph Giesler, 2150 State street, entered St. Mary's Hospital, Clayton, Mo., Saturday afternoon. She will remain there indefinitely for observation and tests. At present she is allowed no visitors.

Man Faces Two Charges
Earl Bunselmeier, 46, of 2742 Sunset drive, was arrested at 10:45 p.m. Sunday on charges of intoxication and creating a disturbance.

\$6000 Brass,

(Continued from Page 1.)

ed his car a late model auto pulled alongside his and four youths, one of them with a gun. He took his wallet containing \$500, some papers and his auto and drivers' licenses.

A thief entered the Station of service station, Niedringhaus avenue and State street, while the attendant was shoveling snow off the drive and stood about \$100 in cash. It was reported at 1:30 p.m. Thursday.

Three witnesses said the man was tall and thin and was wearing a light green Army-type jacket.

A safe was stolen and desk drawers and file cabinets were ransacked in a burglary between 7 p.m. and 11 p.m. Friday at the Mueller Agency, 1835 1/2 State street. Contents of the safe were not reported. Entry was gained by forcing a rear basement door, ascending stairs and forcing the office door.

Burglar Takes Tools
Bob Graham and Gerald Gilder of Vauity Fair, Sixth street and McCambridge avenue, Madison, reported burglary of tools and equipment at Madison police station.

Missing are five routers with special carbide bits, a hand saw, a planer, a jointer, two belt sanders and a sander saw.

Mrs. John Andrews, 1907 Pontoon road, reported at 2:40 p.m. Friday that numerous items, mostly clothing, were stolen from her home between last November and Jan. 14. Included were two ladies' sweaters, two pairs of leather gloves, four pairs of hose, two ladies' suits, the top of a blue suit, a man's gray suit, a man's topcoat and a gold watch valued at \$40.

Mrs. Ann Chandler, 2021 Washington avenue, reported at 6:45 a.m. Friday that an electric guitar and an amplifier were stolen from her home between last Monday and Thursday. There was no sign of forced entry.

A water suction cup and 100 feet of hose valued at \$319 were stolen from the basement of a house owned by Morris Runy at 3710 Pontoon road between Jan. 14 and Friday, he reported to the Madison county sheriff's office. The house is under construction.

Venice City Incumbents File
A slate made up of incumbent Venice city officials filed Saturday with City Clerk William M. Engelhardt. All whose terms expire this year will run on the ticket, headed by Dr. John E. Lee, mayor.

In addition to Dr. Lee and Engelhardt, those filing were Bernard Anderson, city treasurer, and Aldermen Harry Riente, First Ward; Hank Seeger, Second Ward; Leland Tritt, Third, and William Griggs, Fourth. They are the first to file.

Arthur Snelson, 17, Undergoes Surgery
Granite City high school senior, Arthur R. "Ray" Snelson, 17, son of Mr. and Mrs. Arthur Snelson, 3229 Wayne avenue, today is reported in fair condition at Jewish Hospital, St. Louis, where he underwent extensive surgery Friday. No visitors are allowed at the present time.

The high school athlete suffered fractures of the right leg and left elbow, multiple fractures of the left foot and jaw and a brain concussion, when his auto struck a concrete bridge abutment on State Ate Route 35, Jan. 20.

1500 Capacity

(Continued from Page 1.)

Professor George D. Wham (96) will serve his 12th term as chairman. He was first appointed to the board in 1949.

Kenneth L. Davis, Harrisburg businessman and former Saline county superintendent of schools, starts his fifth term as vice chairman. He also was first named to the board in 1949. Melvin Lockard, Mattoon banker, begins his 12th term as board secretary. He was appointed to the board in 1953.

Other members of the board are Dr. Martin V. Brown of Carbondale, Harold R. Fischer of Granite City, president of the First Granite City National Bank, Arnold H. Marenmont of Chicago, Lindell Sturges of Metropolis and (ex-officio) Ray Davis, state superintendent of public instruction.

Sturges will continue as board representative on the board of trustees, State Universities Retirement System, University of the North Board, University Civil Service System; and Lockard on the board of the Southern Illinois University Foundation. Davis was named board delegate to the National Conference on Higher Education in Chicago March 7-10.

GC Area PTA Council Hears Pollution Talk by Moerlien

Granite City PTA Area Council members heard First Ward Alderman Charles W. Moerlien discuss water pollution and sewage treatment processes at a bi-monthly meeting held Thursday evening at Prather junior high school. The program was given along the council's theme "Conservation of Resources."

Moerlien, who serves as chairman of the council's Special Pollution Abatement committee, discussed construction of the city's new sewage treatment plant which is scheduled for completion later this year. He urged all municipalities to discontinue practices which pollute streams, lakes and rivers with untreated sewage, and explained a new chemical which may cut the costs involved.

Moerlien stated that cities interested in water pollution abatement programs are hopeful of federal intervention in halting interstate shipments of so-called "sudsy" detergents which do not respond to current methods of treatment. He said that housewives have the right to expect

wardsville, attorney for the sanitary district operations commission; Quentin Lambert, director of governmental affairs, Illinois Manufacturers Association; C. E. The 'Why' Of Parents' Confusion

(Dr. Rudolph Dreikurs of the Community Child Guidance Center of Chicago, who is professor of psychiatry at the University of Medical School and director of the Alfred Adler Institute, is the author of a number of books on child psychology. His books are provocative articles being used for discussions by parents during weekly sessions of the "Why" of Parents' Confusion at the local YMCA. Some of his views on "raising children in a democracy" are given below.)

We are confronted with the fact that parents are ill prepared to raise socially and emotionally sound children. It seems that homo sapiens of the twentieth century, particularly in the United States, has lost a knowledge which all other creatures on the earth possess, namely, how to raise their young. The simplest routines of social living become perplexing problems. Many parents find it difficult to get the children up in the morning and to school on time, to bed at night, without scolding and fighting.

Many young children seem to have lost the natural tendency to play; they have to be coddled and coaxed, reminded and threatened, and waiters and waitresses make each mealtime a torture.

How to get children to keep their rooms clean, to play with toys and clothes away, is a major puzzle to which many parents still seek an answer. We take it for granted that brothers and sisters will fight for every advantage, and we forget that the term "brotherly love" once implied the height of consideration and devotion. Little of that is found in the modern family. The slightest contribution to the welfare of the family, such as daily chores, is rarely done without conflict and frustration. The child's responsibility to study, to practice, or to apply the minimum standards are likely to feel even worse when their children do not respond as the should. It is not that they are wrong with them—or with their children.

Every culture and civilization, including our own, has developed a definite pattern for training its children. For many generations there have been no changes in the way in which we have raised our children. In the same way, so that every child and every child know exactly what to do.

But now we are rapidly moving from an autocratic past into a new era of democracy, with an increasing degree of social equality for all.

Our children have gained status; they share in this equality. The traditional pattern for training children has broken down, and nothing has been developed to replace it.

If the parents know how to stimulate progress in one child, why did they fail to do so in another? The number of children who are not progressing is increasing.

Other indignities are crying, "Give us security or give us death." As a real newspaper editor, one can change the tone of the newspaper, but one cannot change the facts of life.

To the Editor:
Your editorial giving us the true picture of the Medicare bill is appreciated. I too read about the bill mentioned. As I read, 65% of the people over 65 who were contacted were in favor of Medicare. Yet one-fourth of these folks had no idea what it would provide.

It seems to me we Americans have been hoodwinked by the School Problems Commission, which has done an exceptionally fine job. State School Boards.

To get the long-range view, in my opinion Illinois must do two things: 1. Establish a state board of education—not to replace any local school boards or assume their duties, but to coordinate the long-range look at our problems. 2. Make the state superintendent of public instruction an appointed officer rather than an elected officer. Regardless of which party happens to control this post, the man in that office has his first responsibility to the leaders of his particular party.

Under the present setting, regardless of the party in power, the man in that office has his first responsibility to the leaders of his particular party. This session of the legislature offers the opportunity to do so on both measures, and the public should watch with concern as the fight takes place.

These two suggestions can be made by the legislature. I am not a politician, but I am a citizen. I am not a politician, but I am a citizen. I am not a politician, but I am a citizen.

who do not function well is too great to be dismissed lightly; they can no longer be regarded as exceptions.

The strongest evidence of a universal parental failure is our concern with the child's education. We would not need books about raising children or study groups, lectures and classes, if all parents knew what to do with their children. Unfortunately, what parents read and learn often adds to their confusion.

Unhappy Experiences
In many cases, the "experts" hardly know more than the parents about how to bring up children. Some of them merely describe the maladjustments that are characteristic of various age groups, and then suggest remedies. Others attribute the difficulties of children to a lack of love and affection, to the parents' emotional instability or immaturity.

They, too, are unable to tell parents what to do in any concrete situation. The prevalent pessimism in regard to children is apparent when a suggestion to a parent or teacher is found to be effective. It really does not indicate their utter surprise that something can have an effect on the child.

Cultural Growing Pains
What is the reason for this pessimism? The modern world is really becoming more insecure, immature, morally and socially deficient? There is no reason to assume that.

Naturally, parents become upset if they are frustrated in their efforts. The modern high standards are likely to feel even worse when their children do not respond as the should. It is not that they are wrong with them—or with their children.

Every culture and civilization, including our own, has developed a definite pattern for training its children. For many generations there have been no changes in the way in which we have raised our children. In the same way, so that every child and every child know exactly what to do.

Wrestlers Make Record to 3-1

Two more opponents fell before the strong Granite City high school wrestling team over the weekend as the Warriors boosted their dual match record to 13 wins, one loss. They have also won four tournaments.

The Warriors defeated the host Wood River Oilers 10-0 in the Southwestern Conference action Friday night and downed the Ritenour Huskies of Overland, Mo., 35-8, here.

GCIS goes to Edwardsville at 7 p.m. Thursday, to home to meet St. Louis at 1:30 p.m. Saturday and visits Belleville at 4:30 p.m. Feb. 9 for Southwestern match-ups.

The Warriors are leading their eighth straight league championship.

Friday, Feb. 12, is the date for the day-long district tournament here.

Coach Bill "Red" Schmitt, in an effort to toughen his matmen for tournament competition, boosted some of his lighter-weight athletes up one weight class over the weekend.

As a result, 95-pounder Bill Fuchs wrestled at 103 and pinned his Wood River opponent but lost against Ritenour, in his first setback of the season, leaving the Warriors with just one unbeaten wrestler.

Rich Blescoe (130-lb.), who was sidelined this week by an ear infection.

Two of Fuchs' teammates, however, averaged his setback by handing two Ritenour boys—112-pounder Pete Campbell and 138-pounder Jerry Rodes—their first defeats of the season.

The Granite City junior varsity raised its record to 11-0 by beating Wood River 51-0 and Ritenour 33-13.

Coolidge Ninth Graders Top Prather; Teams Clash Again in League Tourney

Taking command early in the game, Coolidge's Braves dominated the Prather Chiefs 60-54 Thursday as the two Granite City ninth grade basketball teams met at Prather.

Coach John Tonnoff's Coolidge squad zipped ahead 18-7 in the first quarter, led 36-21 at intermission and 49-40 after three periods. Prather cut the gap to three in the final 15 seconds.

Norman Hall scored 19 points and Ron Shepard hit 14 for Coolidge. Jeff Jones added eight and Bob James seven. For coach Bob Miller's Chiefs, Don Rains scored 24 and Roger Cousins had 17.

Prather had won the first meeting between the schools earlier this season 53-42. The teams will meet again at 8 p.m. Monday Feb. 14, at the gymnasium of the Madison County Junior High School Conference tourney at Madison County College.

Collinsville North and Roxana play at 6:30 p.m. that night. The semifinals and championship meet will be Feb. 15 with the third-place and championship games on Feb. 11. The last year and Coolidge took the

Madison Wins But Granite City, Venice Lose Basketball Tour on a Snowy Night

If a basketball fan wanted to get a look-see at the three Quad-City high school teams in a compact two-hour period, then Friday night was the night.

For the only time this season, the schedule had Granite City, Madison and Venice in home games on the same night. And what a night! Such three-step basketball tourism required a heavy coat, boots, snow tires and a certain foot-hardiness.

Only the most loyal of fans ventured into the 10-degree snow-chilled night, and the smallest of the three audiences. The few persons who rallied about in the Madison gymnasium, with 10 points each, Ron Simpson, Moore and Mark Rigaty had each.

The eighth grader beat the Altonians 52-19. Granite City scored 20 and VanBuskirk 17.

In games here Friday, Coolidge won 50-39 behind two points by Gary Simpson and second Frank 23-1. In the last quarter after trailing 20-19 after three periods.

Granite City's 13 and Dave McKinney's eight led Coolidge. Tom Rushing's nine and Steve Gans' eight led Venice. Steve Gans' 10 and VanBuskirk 17.

At the same time Thursday, two seventh grade games were played on the Coolidge court and again there in the final 15 seconds. The Agave score was 42-21 with the young Braves outscoring the Redskins 23-11 in the last quarter after trailing 20-19 after three periods.

Mrs. Edgar Votaw

1965 Camp Director

A local Girl Scout leader, Mrs. Edgar Votaw, 3020 Willow drive, today was named as a 1965 day-camp director by the River Bluffs Girl Scout council. Assisted by Mrs. Bill Bollinger, 3000 Willow, the new director will head a group of local Girl Scout leaders in supervising operations this summer at Camp Lakota, near Glen Carbon.

About 450 Quad-City Girl Scouts are expected to attend this year's day camp sessions, which are scheduled for three weeks, the first beginning July 19. A second session will be held July 26-July 30 with the final one Aug. 2 to Aug. 6. Those who attend will pay a fee of \$2.25 for each five-day camping session.

Training workshops for new camp directors continue this week at the Girl Scout office in Edwardsville with instruction given in camp administration and operations. Today, a refresher class is being conducted for experienced directors who will join with the new leaders for a combined meeting on camp programming this Thursday.

Camp Lakota is one of 14 day-camp areas operated by the River Bluffs council, which this year plans to offer summer camping experience to more than 2500 Girl Scouts.

Other camp areas to be operated by the council this year, include: Rock Spring Park, Alton; Flamma Wood, Jerseyville; Camp Chananya, Prairieville; Monks Mound, Cahokia; Horner Park, Lebanon; Scott Air Force Base lake area; Camp Keek, Belleville; Marissa recreation area; Camp Rainbow, East St. Louis; VFW Park, Highland; Kendall Hill, Wood River; Camp Torquay, Edwardsville; and O'Fallon Park.

400 See Tri-Cor Building

Over 400 children visited the Tri-Cor Medical Building during an open house held Friday by St. Elizabeth Hospital. The remodeled structure at 21st street and Madison avenue includes a classroom, pharmacy and medical offices. Coffee and cookies were served to those touring the facilities.

James E. Branch

Rites Held Today

Funeral services were held at 10 a.m. today in Granite City for James E. Branch, 24, son of Earl Branch, 2625 Lincoln avenue. He died in a fire Wednesday morning at New London, Conn., where he was attached to the submarine service as a Navy Quartermaster, Second Class.

Branch was hospitalized along with a companion. Branch had re-entered a burning apartment building to help rescue his friend. He had been in the Navy six years and was quartered in the nine unit apartment off the base at New London while attending training classes.

Besides his father he leaves his mother Mrs. Clifford (Georgia) Milton, Ontario, Calif.; two children, James Jr. and Donna; a stepmother, Mrs. Earl Branch of Granite City; three brothers, Leon of Louisiana, Rocky Lee of Orlando, Calif., and David of Granite City; two sisters, Miss Rhine Branch of Orlando, Calif., and Miss Janet Branch of Granite City; and his grandmother, Mrs. Gracie Hutchinson of Granite City.

Other details are listed in today's obituary column.
